Spa Experience

Hua Hin and Pranburi are fast becoming Thailand's premium spa destinations. Nestled between sea and mountains, both charming towns have many luxury brand name spas, all within easy access from MODENA. You could not ask for a better place to pamper yourself.

Exclusive Spas

Six Senses Spa - Evason Hua Hin

Only 5 minutes from MODENA, this holistic and world-renowned spa provides a truly relaxing and revitalising experience with treatment salas surrounded by calming water pools and lush vegetation. Offering a complete menu of therapeutic treatments and lifestyle programmes to rejuvenate the senses, expert therapists deliver treatments with the utmost of care by using only natural products.

Aleenta Resort & Spa

Indulge, relax and revitalize the spirit. Pamper yourself in a natural setting overlooking the sea at the Aleenta Spa. Inhale the fresh ocean air and let the sea breeze calm the senses. At the Aleenta Spa staff only use the finest 100% natural products, made with herbal ingredients.

Muntra Spa - Purimuntra Resort & Spa

Relax and rejuvenate at Muntra Spa where you will find an experience to appreciate the harmony between health and nature. The spa products are home-made with emphasis on natural and fresh materials. In addition, there is a special home-made essential oil, Muntra Scent, to welcome you.

Anantara Spa - Anantara Resort Hua Hin

Designed to be a garden spa and set amidst the beachside resort's lagoon pools and bounteous tropical foliage, the Anantara Spa was created by award-winning landscape architect Bill Bensley. Each of the Spa's seven suites is set in its own individual garden courtyard with dual alfresco 'rain' showers suspended in bronze cages modelled on traditional Thai artifacts.
